You can **MAKE A DIFFERENCE** by...

Investing Stock Market Gains to create Community Endowment

When you make a gift of appreciated stock to the Ashland County Community Foundation, everyone wins. You receive an immediate tax deduction and the community's quality of life is enhanced through the building of endowment.

By giving certain appreciated stock *through* the Foundation, you can avoid capital gains taxes that would be due as a result of its sale, and establish a charitable named fund that benefits local Ashland County causes about which you care the most. You have the opportunity to receive the most rewarding return-on-investment of all...making a difference in our community.

This may be accomplished through the establishment of a scholarship, a donor-advised fund, a donor-designated fund or by way of a named fund through ACCF's Community Grants program.

ACCF's staff can handle all the administrative details. Your gift—and future earnings from your gift—can become a permanent source of community capital, helping to do good work in Ashland County forever. Please contact your tax professional or ACCF to learn more!
